

Adult Dental *and* Vision Coverage

Optional coverage for the IFP PPO and EPO off-marketplace portfolio

When you choose a Health Net off-marketplace insurance plan, your medical plan comes with Pediatric Dental and Vision. You have the option to add adult dental and vision coverage.

Adding Dental and Vision for adults

Adding Health Net's Adult Dental and Vision¹ coverage to your PPO or EPO health insurance plan is a great way to boost your overall health coverage.

Please note: When Adult Dental and Vision are purchased with a medical policy, all adults ages 19 and over on the policy will be covered. The rate applies to each adult on the policy. Family members who turn 19 after the open enrollment period will not be added to the Adult Dental and Vision plan until the following year. Dental and Vision can only be purchased with, or added to, medical coverage during the open enrollment or special enrollment periods.

Available with all off-exchange PPO and EPO plans
