[1] In accordance with the Affordable Care Act, American Indians and Alaskan Natives, as determined eligible by the Exchange and regardless of income, have no cost-sharing obligation under this Policy for items or services that are Essential Health Benefits if the items or services are provided by a provider of the Indian Health Service (IHS), an Indian Tribe, Tribal Organization, or Urban Indian Organization, or through referral under contract health services, as defined by federal law. Cost-sharing means copayments, including coinsurance and deductibles.

[2] Certain services require prior certification from Health Net. Without prior certification, an additional $250 is applied. Refer to the Policy for details.

[3] Please refer to the Policy for out-of-network reimbursement methodology.

[4] Copayments or coinsurance paid for in-network services will not apply toward the out-of-pocket maximum for out-of-network providers and coinsurance paid for out-of-network services will not apply toward the out-of-pocket maximum for preferred providers.

[5] Covered services based on the United States Preventive Services Task Force (USPSTF) grade A and B recommendations; recommendations of the Advisory Committee on Immunization Practices (ACIP) that have been adopted by the Director of the Centers for Disease Control and Prevention (CDC); women's preventive care and screenings provided for in comprehensive guidelines supported by the Health Resources and Services Administration (HRSA); and comprehensive guidelines supported by HRSA for infants, children and adolescents. For more information on generally recommended preventive services, go to www.healthcare.gov. The applicable cost-sharing for preventive care will apply to these services.

[6] The three prescription drug tiers are Tier 1: Generic formulary; Tier 2: Brand formulary; Tier 3: Brand non-formulary.

The Essential Rx Drug List is a list of prescription drugs that are covered by this plan. Some drugs require prior authorization from Health Net. For a copy of the Essential Rx Drug List, go to Health Net's website. Refer to the Policy for complete information on prescription drugs. Plans will cover most female prescription contraceptives at $0 cost-share. Coverage on some drugs may not follow the generic and brand tier system. Please refer to your Policy and Health Net's Essential Rx Drug List for coverage, cost-share and tier information. The Policy is a legal, binding document. If the information in this brochure differs from the information in the Policy, the Policy controls.

Prescription drugs filled through mail order (up to a 90-day supply) require twice the level of copayment. For details regarding a specific drug, go to www.healthnet.com.
