

oscar

It's a fitness tracker. And it's free for Oscar members.

Oscar is offering members a free Misfit Flash to track their steps. Members can use the Oscar app to view their personalized daily goal and receive rewards for reaching their goals.

Who can get a Misfit?

To be eligible for this program, you must be 18 years or older with an active Oscar plan and own an iOS or Android device. This program is open to all members on all plans (including child-only plans), in all states.

How do I get my Misfit?

To order your Misfit, you'll need to download the Oscar app on your iOS or Android device, log in with your Oscar credentials, and click on the "Steps" icon on the home screen. You can order a Misfit even if your plan hasn't started yet (we'll send it to you once your plan has started and you've paid your first bill). If you're on a family plan, each eligible person will need to order separately from their Oscar accounts.

When will I get my Misfit?

After placing your order, you should receive your step tracker within 5 - 12 days. We'll email you when your Misfit has shipped, so you can track the order and know when to expect it. If you haven't received your Misfit, contact us at 1-855-OSCAR-55 or help@hioscar.com.

What happens if I lose my Misfit?

The first one is on us. If you need a replacement, you can purchase another Misfit device at any retailer, or if you have an iPhone 5S or later, you can use your phone to track steps and earn rewards.

How do goals work?

Each day, the Oscar app will create a new, personalized goal for you based on your activity. To view your goal and your progress, open the app and click on the "Steps" icon on the home screen.

How do rewards work?

You'll earn \$1 towards an Amazon.com Gift Card* for each day you hit your goal, up to your annual limit. You can view your rewards and track your progress within the app. When you're ready to cash out, you can redeem your rewards with just a tap. Note: You'll only earn rewards when your plan starts and as long as your plan is active.

How long will it take to get my gift card once I cash out?

Within a few minutes of cashing out, you'll receive an email with an Amazon.com Gift Card claim code and instructions to redeem it.

What can I use my gift card for?

Amazon.com Gift Cards never expire and can be redeemed towards millions of items through Amazon.com. However, we encourage you to use them towards the purchase of something healthy and keep up your wellness goals - buy a new pair of running shoes, some vitamins, or a new cookbook.

What else should I know?

Oscar may change the goals, the rewards, or any other part of the program at any point or terminate the program. If this happens, we'll send you a quick note to let you know that the program has changed or ended. But that shouldn't stop you from walking and keeping up your healthy habits.
