## How this plan works

All Oscar plans have the same great doctors, drugs, and medical coverage. The difference is how each plan shares the cost of your medical care. Market Plans provide the essential health benefits required by California with extra Oscar perks.

1. You pay your plan's monthly premium.

Your premium varies based on your income and family size.

2. From the day your coverage starts, you pay a copay (fixed amount) for up to 3 visits across the following categories.

- \$70 Primary Care, OB/GYN, or Mental Health visits
- \$90 Specialist visits
- \$120 Urgent Care visits

3. You also pay a copay for certain benefits.

- Free Preventive Care (Annual Checkups, Flu Shots and More)
- \$40 Lab work
- \$70 Physical, Occupational, and Speech Therapy visits

4. For drugs, you pay Oscar's negotiated rate until you reach your plan's pharmacy deductible.

\$500 (\$1,000 for families)

5. For everything else, you pay Oscar's negotiated rate until you reach your plan's medical deductible.

\$6,000 (\$12,000 for families)

6. After that, we share the cost through copays or coinsurance (a percentage of the bill) for certain benefits.
