## How this plan works

All Oscar plans have the same great doctors, drugs, and medical coverage. The difference is how each plan shares the cost of your medical care. Simple Plans are our signature plan design. They give you the most free routine care.

### 1. You pay your plan's monthly premium.

Your premium varies based on your income and family size.

### 2. From the day your coverage starts, save on certain benefits with a copay (a fixed amount) and we cover the rest of the costs. For everything else, you pay Oscar's negotiated rate.
