Step 4. Disclosures and Signatures

Please read the following carefully. Each applying family member age 18 and older is required to review the completed application and provide their own signature on the following page. Keep a copy of this application for your records.

Access Dental Disclosures

I understand that if I have indicated that coverage under the Plan is to be provided only for the dependent child on this form, I am responsible for payment of the required Premium and compliance with all of the provisions and conditions of the Disclosure Form/ Contract.

California law prohibits an HIV test from being required or used by health insurance companies as a condition of obtaining health insurance coverage. Therefore, Premier Access Insurance Companies will not require that an HIV test be required as a condition of obtaining coverage. In accordance with California Health and Safety Code section 120980, Premier Access Insurance Company complies in all respects with the prohibition against the unauthorized disclosures of an HIV test.

RIGHT OF REIMBURSEMENT: I, on my behalf of my Dependent(s) listed on this Enrollment Application, hereby agree that in the event any dental services provided to me or my Dependent(s) covered by Premier are the primary financial responsibility of another party because of other dental coverage, I will fully inform Premier and will execute such assignments, liens or other documents which may be necessary to enable Premier to recover the value of services and supplies provided.

NOTICE: Any person who, with intent to defraud or knowing that he/she is facilitating a fraud against an insurer, submits an application or files a claim containing a false or deceptive statement is guilty of insurance fraud and may be subject to fines and confinement in prison. In accordance with the disclosure requirements of California Health & Safety Code, Section 1363 (h), this is to advise you that Premier Access' ratio of health care expenses to premiums received for the last calendar year with respect to the Premier Access Individual & Family Plans was 60.0%.

MANDATORY BINDING ARBITRATION: I understand that any dispute or controversy that may arise between me and Premier Access shall be submitted to binding arbitration held in accordance with the commercial arbitration rules of the American Arbitration Association in lieu of a jury or court trial, and that should any dispute arise, neither Premier Access nor I may pursue any claims as a plaintiff or class member in any purported class or representative proceeding, and instead must pursue any such claims in an individual capacity. Both Premier Access and I expressly waive any right to initiate or arbitrate a class action against one another relative to any disputes relating to or arising in any way out of my enrollment with Premier Access or its affiliates. The arbitration proceeding will take place in Sacramento, California or, if that location is prohibitive or significantly inconvenient to the parties, at an alternate location selected by the American Arbitration Association.
