

# CHILD DENTAL PLAN FOR KAISER PERMANENTE PPO MEDICAL PLANS<sup>1</sup>

Child dental services is one of the essential health benefits required to be provided in conjunction with your Affordable Care Act (ACA) metal medical plan(s). When employees and their dependents enroll in the medical plan(s) you've chosen, we'll also enroll them in a child dental plan. When a Kaiser Permanente Insurance Company (KPIC) PPO medical plan is chosen, child dental benefits are included in the medical plan and are underwritten by Delta Dental of California. Child dental benefits for PPO members are provided through the Delta Dental PPO network.
