Atlas MedEvac

Planning for international travel or study abroad?

Get Emergency Medical Evacuation coverage with Atlas MedEvac from Tokio Marine HCC – Medical Insurance Services Group.

Do I Need Evacuation Insurance?

If you're preparing to study abroad, then you may need evacuation insurance to satisfy insurance requirements mandated by your study abroad program, university, or host country, such as J-visa requirements. Atlas MedEvac provides the following benefits

Emergency Medical Evacuation

This benefit covers air or ground transfer from one hospital to another for treatment of a covered, life-threatening injury or illness. It applies when the initial treating facility cannot provide the proper supplies and equipment, specialist, and/or standard of care deemed medically necessary for your treatment and recovery.

Costs associated with a covered emergency medical evacuation will be covered up to the maximum stated in the Schedule of Benefits. Transportation will

be arranged by Tokio Marine HCC – MIS Group so that you can focus on your recovery.

Repatriation of Remains/Local Burial or Cremation

In the unfortunate event of your death, Tokio Marine HCC – MIS Group will provide assistance and relief by covering the cost of your burial or cremation in your country of death or by arranging for the repatriation of your remains and covering eligible costs up to the maximum stated in the Schedule of Benefits.

Atlas MedEvac Benefits

The benefits offered by the Atlas MedEvac plan are designed for international students in need of medical evacuation coverage which satisfies insurance requirements for study in the United States.
