

Delta Dental Individual & Family™ plans in California

Delta Dental PPO™
DeltaCare® USA

A smart choice for dental coverage

You can count on Delta Dental as a trusted leader in dental coverage.¹ Plans from Delta Dental make sure you get the coverage you need, at a reasonable cost, with a dentist you trust.

We offer three simple, easy-to-use and affordable plans for individuals: Basic PPO, Premium PPO and DeltaCare USA.

What is Delta Dental PPO?

Delta Dental PPO is a plan that covers a percentage of your costs for covered dental services. After you meet your annual deductible, you pay your share of the bill and your plan pays the rest.² You can visit any dentist, but you'll likely save the most with a Delta Dental PPO dentist. Once you enroll, you get coverage for diagnostic and preventive care, including exams, cleanings and x-rays. Your Delta Dental PPO plan will keep you smiling well into the future!

What is DeltaCare USA?

DeltaCare USA is a copay plan that gives you comprehensive dental coverage with no waiting periods, no hidden fees, no annual maximums and no deductibles. You'll select a primary care dentist from the DeltaCare USA network who you must visit to receive benefits.³ You'll have a complete list of copayments for every covered procedure so you know all your costs for covered services up front. That's the simplicity of a DeltaCare USA plan.

Delta Dental PPO is underwritten by Delta Dental of California in California. DeltaCare USA is underwritten in California by Delta Dental of California. Delta Dental Insurance Company acts as the DeltaCare USA administrator in all states. Companies are financially responsible for their own products.

² Excluding applicable deductibles, amounts over plan maximums and non-covered services.

³ Change your selected network dentist at any time online, by phone or in writing. Changes made by the 15th of the month are effective the first day of the following month. You may visit any dentist in the case of an emergency. Limitations and exclusions may apply. Refer to your plan documents for more information.

How do I know which plan is right for me?

Delta Dental PPO is...

Flexible. You can visit any licensed dentist, but you'll likely save the most with a Delta Dental PPO dentist.

Simple. When you receive care from a Delta Dental PPO dentist, you pay a percentage for any covered services and your plan pays the rest.¹

Dual choice. Choose the plan that works best for you. Both the Basic Plan and Premium Plan offer preventive care with few out-of-pocket costs at a Delta Dental PPO dentist. Premium Plans also cover orthodontics, crowns and more.²

Keep track of your benefits online

All Delta Dental plans come with an online account where you can get information about your plan, check benefits and eligibility information, find a network dentist and more.

DeltaCare USA is...

Convenient. You'll select a primary care dentist from the DeltaCare USA network who you must visit to receive benefits.

Predictable. DeltaCare USA is a great solution if you prefer to plan for costs ahead of time. You'll receive a list of covered services with set copayments.³

Comprehensive. DeltaCare USA plans cover more than 300 procedures, with zero or low copayments for preventive care.
