Blue Shield PPO's Treatment Cost Estimator

As a Blue Shield of California PPO plan member, you have a powerful tool on your side when you're facing important treatment decisions. Our **Treatment Cost Estimator** lets you and your family members compare out-of-pocket costs, treatment costs, and more – instantly! This easy-to-use online tool can help you budget and plan for future healthcare expenses.

Making the right choice is easy:

- 1** Log in to **blueshieldca.com** as a registered member.
- 2** Scroll down to Coverage/Benefits section of the new *Member Overview* page and select *Treatment Cost Estimator*.
- 3** Easily browse by medical condition to see common treatments and services, or use "Quick search" and go directly to more than 400 treatment and service options.
- 4** Get detailed results, including cost estimates, member out-of-pocket costs, and more to help you plan for future medical expenses.

Take a moment and discover how easy it is to use.

Go to **blueshieldca.com** and register today.
