

2023 HEALTH PLAN HOSPITAL NETWORK

As of August 2022

The enclosed information is provided at-a-glance as the current list for August 2022. Note, that plan provider networks are subject to change. It's important for enrollers and consumers to contact the plan for the current plan provider network when applying for coverage.

For a more detailed search of providers included in a health plan — including pharmacies, medical equipment, urgent care centers, mental health providers and alternative medicine — you can use the [Shop & Compare Tool](#) results page to select the “Provider Directory” link on the left-hand side of the “View Health Plan Details” page to be taken to the health plan’s website or click the link below for their contact information:

IMPORTANT UPDATE:

On October 18, 2022, Covered California announced that Bright HealthCare, which joined Covered California at the beginning of 2022 and started offering coverage in Contra Costa County, will no longer provide Individual and Family Plans through Covered California beginning January 1, 2023. Therefore, the slide deck will display a red color strikeout where the plan is referenced. [Read the full press release here.](#)
