Sutter Health Plus, a not-for-profit HMO, offers competitively priced health plans that give you access to a network of high-quality health care providers, including many of Sutter Health’s affiliated hospitals, doctors and health care services. Here, providers work together to offer you easily accessible and personalized care.

Affiliated Medical Groups

When you choose a PCP, you are also choosing the PCP’s affiliated medical group. Your PCP refers you, as needed, for specialty care, X-ray, laboratory and other services. Many covered services, including visits to a specialist, require a referral or prior authorization from your medical group. Your PCP will refer you in-network for most services. If services aren’t available, your PCP will refer you for out-of-network services and will request authorizations when necessary.
