**Sutter Health Plus, a not-for-profit HMO, offers competitively priced health plans that give you access to a network of high-quality health care providers, including many of Sutter Health's affiliated hospitals, doctors and health care services. Here, providers work together to offer you easily accessible and personalized care.**

## **Affiliated Medical Groups**

When you choose a PCP, you are also choosing the PCP's affiliated medical group. Your PCP refers you, as needed, for specialty care, X-ray, laboratory and other services. Many covered services, including visits to a specialist, require a referral or prior authorization from your medical group. Your PCP will refer you in-network for most services. If services aren't available, your PCP will refer you for out-of-network services and will request authorizations when necessary.
