Specialty Duo dental + vision package

Offer your clients the best of both worlds – dental and vision – with one plan. Specialty Duo℠ dental + vision package* is an affordable option that provides:

- Comprehensive dental benefits like diagnostic, preventive, basic, and major services
- Vision coverage, which includes an annual eye exam and optometric and ophthalmologic visits

Dental highlights
Access to our large dental PPO network with over 49,000 access points in California.†

Vision highlights
Access to over 12,000 provider locations in California – the largest vision network in the state.† Locations include LensCrafters and Target Optical, as well as retail chains like Walmart, Costco, and Sam's Club.

Below is a high-level summary of what is covered with the Specialty Duo package and what the member pays.
